Griha pravesam (housewarming) - 30 dates

Dates for entering a new home. The fixed and soft nakshatras are preferred, the growing (shukla) fortnight is preferred, and the same three months are avoided. Diaspora note: closing dates rarely bend, so the list is deliberately wider than the wedding's.

New venture / shop opening - 55 dates

Dates for opening a shop, office or business. The chara (movable) and kshipra (swift) nakshatras are preferred - the traditional reasoning is that a venture wants momentum, the opposite of the fixed nakshatras you want for a house.

Wedding muhurtham - 42 dates

Dates a Tamil family would normally consider for a wedding, computed at your city's sunrise. The strictest of the five lists - three whole months, both planetary combustion periods and the rikta tithis are excluded, so a thin year is a correct result, not a broken one.
