Griha pravesam (housewarming) - 29 dates

Dates for entering a new home. The fixed and soft nakshatras are preferred, the growing (shukla) fortnight is preferred, and the same three months are avoided. Diaspora note: closing dates rarely bend, so the list is deliberately wider than the wedding's.

New venture / shop opening - 50 dates

Dates for opening a shop, office or business. The chara (movable) and kshipra (swift) nakshatras are preferred - the traditional reasoning is that a venture wants momentum, the opposite of the fixed nakshatras you want for a house.
